

YONG XING FU

Applied Computing (FinTech) Undergraduate | Seeking a 3-Month Software / FinTech Internship

+65 8799 4387 • yongxing937@gmail.com • linkedin.com/in/yongxingfu • Singapore

PROFILE

FinTech undergraduate at Singapore Institute of Technology with a Diploma in Financial Technology from Republic Polytechnic. Always looking to improve and expand my skills. Always keen to learn new technologies.

EDUCATION

Singapore Institute of Technology

Aug 2026 – Jun 2029 (expected)

Bachelor's Degree in Applied Computing (FinTech Specialisation)

- Relevant modules: Programming Fundamentals, Database Systems, Financial Technology, Data Analytics

Republic Polytechnic

2021 – 2024

Diploma in Financial Technology

TECHNICAL SKILLS

Programming	Python, Java, JavaScript
Data & Databases	SQL, MySQL, Excel, Pandas, Power BI
Web & Tools	HTML/CSS, Flask, Git/GitHub, VS Code
Blockchain & FinTech	Ethereum, Web3, MetaMask integration, payment processing
Languages	English, Mandarin

PROJECTS

EduLink: Tuition Centre Booking & Scheduling System | Python, Flask, MySQL, Java, JavaScript

2022

- Built a booking and scheduling system for a real tuition centre client, replacing its manual, spreadsheet-based process.
- Automated class registration and teacher assignment, with conflict detection across rooms, teachers and students.
- Integrated payment processing for bookings and a promotions page for each class.

Blockchain Marketplace | Ethereum, Web3, MetaMask, Java, JavaScript

2021

- Built a Web3 marketplace where users sign in with their MetaMask wallet to list, remove and buy products in ETH.
- Displayed the blockchain transaction ID and user ID for every listing and purchase, for full transparency and traceability.

EXPERIENCE

Software Application Intern — SBS Transit, Singapore

Sep 2023 – Mar 2024

- Implemented cybersecurity measures on new websites and applications before launch.
- Reviewed VAPT (vulnerability assessment and penetration testing) findings and proposed remediations.
- Debugged application code and identified the correct functions for web configuration.
- Wrote technical documentation for completed projects.

AWARDS & CERTIFICATIONS

- Director's Roll of Honour, Republic Polytechnic | 2022
- RP Service-Learning Award, Republic Polytechnic | 2022
- Edusave Merit Bursary (3 awards) | 2021 – 2022
- Certifications: Java SE 7 Programmer II · Blockchain Basics · Blockchain Beyond the Basics · How Blockchain Changes Business · UX Foundations · Canva: Web and Digital Design Projects

LEADERSHIP & ACTIVITIES

Badminton Team Member — Secondary school and Republic Polytechnic

2016 – 2023

- Represented both schools in badminton competitions over seven years.

Volunteer & Event Work — Republic Polytechnic

- Volunteered at a "Coding for Kids" event.
- Taught a beginner laptop-usage workshop for seniors.
- Helped organise the School of Infocom Open House in my final year.

Interests: Badminton, programming, trying out new technology
